And of course, our Current and Historic Community Partners who improve lives every day through the delivery of health and human services.

The United Way of the Tri-Valley Area's mission is to improve people's lives by focusing the caring capacity of our communities. We do this by bringing people together to address issues and by conducting an annual fundraising campaign.

Annual Campaigns run from May 1 - April 30 with most activity taking place September - December.

This list is current as of March 3, 2010. We regret any errors or omissions and appreciate being notified so we may correct the error.

United Way
of the Tri-Valley Area
